Description

The Stacer 359 Proline SE is a step up from the original Proline, and a great option for inland boaters looking to chase freshwater prey. Features include 2 aluminium bench seats, glove box, handles at bow and transom, space for 2 anglers with their gear and a max HP rating of 15. What stands it apart from the original Proline are the higher sides, which make it more ideal for larger dams and lakes, safer for young children and ideal for fending off crocs in the Top End.
