Description

2025 Stacer 539 Crossfire Side Console. This aluminium boat is a unique hull to Stacer, offering a large open bow section, fitted with V bunks suitable for family outings which then can be easily converted with an infill panel to a casting platform.

Built with 4mm bottoms sheets and 3mm sides, this tough boat will handle most weather conditions be it inshore or offshore, making it an ideal boat for Lake Macquarie or off Newcastle Harbour.
