Description

EXTREMELY QUIET

Yamaha's F150 four stroke is extremely versatile and offers the perfect match of power, efficiency and reliability. The F150 was Yamaha's first outboard in the big four-cylinder category and since this time has achieved a legendary reputation for its responsive performance, outstanding reliability and exceptional fuel economy. With its narrow four-cylinder inline configuration, the F150 is also a perfect solution for compact twin outboard installations, with a counter rotating prop option available.
